REAL. RUGGED. READY.

TOP QUALITY PRODUCTS FOR THE INDUSTRIAL FLOORING MARKET

Virginia Abrasives' roots date back to the early 1970's, when a hard rock garnet abrasive mining business in the Adirondack mountains of New York decided to invest in the sandpaper manufacturing business.

In the late 70's, Virginia Abrasives identified the equipment rental market as a target opportunity for wood floor sanding abrasives. Fairly quickly, the company became a major supplier to the industry, with a specialized product and service offering that met the needs of the equipment rental dealer - package quantity, product performance, lead times, competitive pricing, and personalized, world class service for which the company remains well known.

Over time, the company has expanded its product portfolio to include a vast assortment of cutting, finishing, surface preparation, and floor care products and solutions. This includes diamond abrasives for concrete and asphalt cutting and surface preparation, flooring tools and fasteners for installing hardwood flooring, concrete power trowel blades, as well as a full line of construction equipment - high speed and walk behind saws, tile saws, core drills, and concrete floor grinders.

Virginia Abrasives Headquarters – Petersburg, VA

Today, Virginia Abrasives' manufacturing facility remains in history-rich Petersburg, VA. With an extensive inventory of thousands of products, Virginia Abrasives is able to ship orders same-day to thousands of independent dealers, national accounts and hardware cooperatives, with most orders delivering in 3 business days or less. In 2019, the company was acquired by Brookstone Partners, LLC and in 2021, the company acquired Jaffrey, NH-based Johnson Abrasives.

Virginia Abrasives also feels that investing in the human resources to support our excellent customers is critical. The company maintains an extensive network of manufacturers' representatives nationwide, as well as regional sales managers, inside sales representatives and world-class customer service representatives, covering the U.S. with this team of roughly 50 sales and service professionals.

SURFACE PREPARATION PADS

The best solution for preparing a factory finished floor for recoating.

- ▶ Sharp 180 grit silicon carbide particles lightly abrade the surface of factory pre-finished floors for recoating
- ▶ Use between coats of finish to provide a textured surface that the new coat of finish can adhere to
- ▶ Removes popped or raised grain fibers between finish coats
- ▶ Lightly abrades the surface without removing excess finish
- ▶ Approximate usage is 500 square feet per side

TERMS AND CONDITIONS OF SALE

Freight and Minimum Order Policy

- Free freight on all orders shipped within the continental U.S.
- Expedited shipping will be prepaid and added to invoice
- No minimum order other than standard package quantities

Shipping

- Same day complete shipping on all orders received Monday Friday before 3 p.m. EST (unless otherwise noted)
- Non-stock products may not ship same-day

Payment Terms

- Net 30 days from date of invoice with approved credit paid in U.S. dollars. Virginia Abrasives reserves the right, in addition to any other available remedy, to impose a late payment charge of 1-1/2% per month on any past-due unpaid balance

Blade & Bit Warranty

Virginia Abrasives, in its sole discretion, may elect to repair or replace any of the products specified below that are found to be defective in material or workmanship upon inspection, FREE OF CHARGE.

Virginia Abrasives' Laser Weld/Bit Warranty:

- If the laser weld or diffusion bond between the segment and the core or barrel fails during the normal useful life of the blade or bit, the blade or bit will be replaced FREE OF CHARGE

Virginia Abrasives' Brazed Blade/Bit Warranty:

- If the brazed bond between the core or barrel fails within the first .050" of segment wear, the blade or bit will be repaired or replaced FREE OF CHARGE

Virginia Abrasives' Continuous Rim Blade Warranty:

- If the bond between the diamond rim and core fails during the normal useful life of the blade, the blade will be replaced FREE OF CHARGE

These warranties do not apply if the blade or bit has been altered, abused, misused, misapplied, or improperly maintained. Furthermore, normal wear and tear is not covered by these Warranties.

Virginia Abrasives' sole obligation under these warranties is expressly limited to the replacement or repair at Virginia Abrasives, or at a service facility designated by us, of such part or parts of the products specified herein as inspection shall disclose to have been defective in material or workmanship.

Return Goods Policy

- Return of products without prior authorization is strictly prohibited. All returns require a return authorization number
- Returns for other than defective product by Virginia Abrasives will be considered under the following conditions:
 - Item must have been a standard stock item at the time of original invoice
 - Items cannot be more than one year old from the invoice date
 - All goods must be in the original package and in a sellable condition
 - Returned product is subject to a 25% restocking fee
 - Non-stock and custom items are not eligible for return or credit.

Cancellation Policy

- Cancellation of orders for standard stock items will be allowed without charge provided the order has not shipped
- Cancellation of non-stock custom orders will be allowed without charge provided the order has not begun the manufacturing process
- Orders which have been processed will be shipped and invoiced at the full value

Claims Policy

- All claims for shortage or damage must be made in writing to Virginia Abrasives within 45 days of invoice Non-Stock
