

# VIRGINIA ABRASIVES®

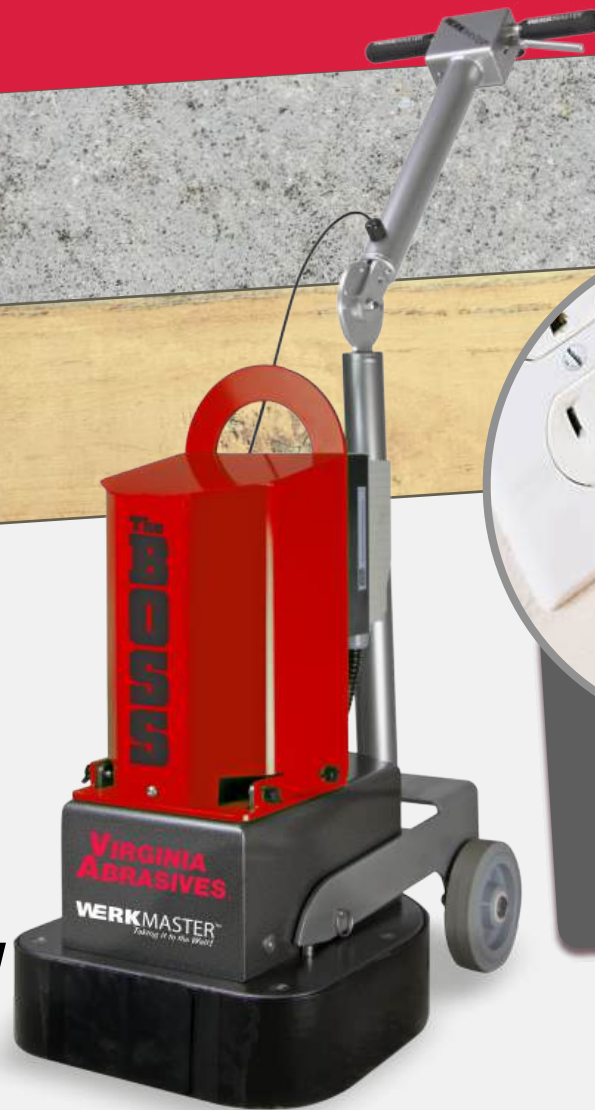

*Taking it to the Wall!*

CONCRETE JOBS

WOOD PROJECTS

## The BOSS

*ONE MACHINE FOR  
MULTIPLE APPLICATIONS!*

**PLUGS DIRECTLY  
INTO YOUR WALL!**

**Keep your customers coming back!**  
**Simplify your rental experience**

**Gets to 1/8" to the wall!**

Our counter rotating heads add stability and eliminate the need for the operator to get on their hands and knees to refinish along the wall or edge!

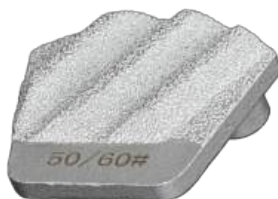

**Disassembles into 3 components  
for easy lifting and transport!**

### On Wood! One Machine doing the work of four!

#### Sanding

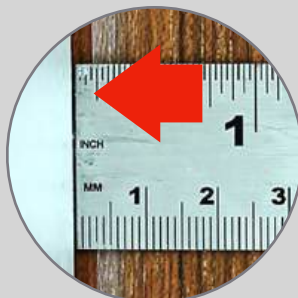

#### Sanding & Removing Finishes

##### Plug 'N Go Turbo Rasp Tools

Part of the WerkMaster SandPaperLess Wood Refinishing System, these specialized tools are designed to effectively remove floor finishes.

#### Edges

#### Finishing along the edge

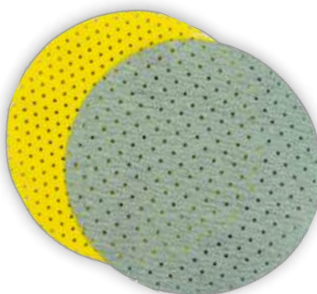

##### ALL WerkMaster Tools

Precision hardwood sanding gets you up to 1/8" (3 mm) of the wall.

Use one machine from start to finish saving you up to 40% of labour costs on your jobs.

#### Multi Disc

#### Multi Disc Functionality

##### 5" Sandpaper - Various Grits

Superior finish: The high-quality abrasive ensures a smooth, even surface preparation for staining or sealing, creating a beautiful, long-lasting result.

#### Buffing

#### Buffing or Polishing Pads

##### 5" Buff Pads or Polishing Pads

For applying stains, buffing very soft finishes or for polishing soft waxes on wood floors. Enhances floor appearance.

## Surface Preparation, Edging and Polishing Concrete

### Surface Prep

### Grinding & Removing Coatings

#### Plug 'N Go Metal Bond Tools

Remove coatings and glue to achieve your required surface profile. Take down high spots and get your floors flat and smooth!

### Edges

### Finishing along the edge

#### ALL WerkMaster Tools

Precision concrete grinding gets you up to 1/8" (3 mm) of the wall.

Use one machine from start to finish saving you up to 40% of labour costs on your jobs.

### Polishing

### Professional Polishing Results

#### Velcro Backed Polishing Tools

Superior finish using our **NO WATER** dry polishing solutions. Bring basement, residential and commercial projects up to a great shine and in quick time!

### Buffing

### Buffing or Polishing Pads

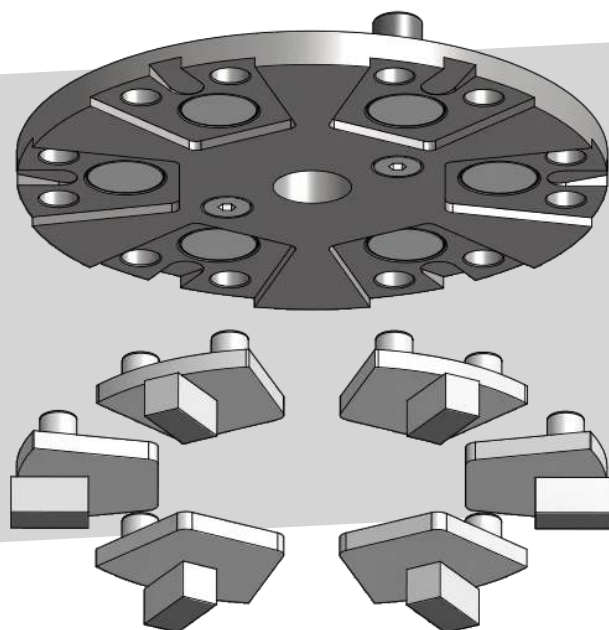

#### 5" Buff Pads or Polishing Pads

Bring your floors up to a brilliant shine or bring life back into your worn out floors.

## Pro Performance, DIY Convenience

Our Plug 'N Go Tooling System is a major advancement in tooling design. All our tools simply slide into our Plug 'N Go tooling plates and are held in by pins and magnets.

## Rental Ready, 5 inch Tools!

Take your rental customer experience to the next level with our rental ready 5 inch full plate tools. Just slide them on and you are ready to! Available in various grits.

Tech Specs (1400)	110V
